

Graduate Course Description Form

Course Number: IGC 646

Course Name: How Does Childhood Trauma Impact Brain Development & Learning in K-12 Education? For all Content Areas

Instructor: Casey Rekowski

Credits Earned: 3 Graduate Credits / 67.5 PDPs (for courses completed before June 8, 2025) or 22.5 PDPs (for courses completed on or after June 8, 2025)

Credits Issued By: Gordon College

Course Fee: \$675 (\$575 for early bird registration)

Course Description:

This course is designed for educators interested in learning why students who experience trauma-inducing experiences are more at risk for acting out at school and also dropping out. Course content will explain the impact of adverse childhood events (ACEs) on brain development and give teachers strategies that can help them explore ways that they can make their classrooms trauma sensitive and a safe place for all learners.
