

Graduate Course Description Form

Course Number: IGC 699

Course Name: Introducing Flipped Learning to Your Classroom

Course Description: In a flipped classroom students engage with lectures or other materials outside of class to prepare for an active learning experience in the classroom. This course will give you the tools you need to find or create your own materials to engage your students outside of the classroom, hold your students accountable for their learning, and to create or find the activities to interact with your students within the classroom. This course is aligned to the Massachusetts State Frameworks.

Instructor: Chrissy Judge

Credits Earned: 3 Graduate Credits / 67.5 PDPs

Credits Issued By: Gordon College

Course Fee: \$750
