Course Description:

Research studies show that all students—young and old, rich and poor, urban and rural—benefit immensely from classrooms filled with art, creativity, and laughter. Fun, playfulness, creative thinking, and individual expression reinforce positive experiences, which in turn lead to more engaged students, better classroom environments, and successful learning outcomes. Designed for K-12 educators, The Playful Classroom describes how teachers can develop a playful mindset for giving students meaningful, relevant and fun learning experiences. This unique real-world guide provides you with everything you need to incorporate engaging, hands-on lessons and creative activities, regardless of the level and subject you teach. This course is aligned to the Massachusetts State Frameworks.
